Robert Earl-

Really busy this week....getting things straight at the Train Depot...you will put your request for additional information on my list of things to do.....

Looking forward to receiving the Woodham Family Journal.....hope to have a special section on family histories and journals, etc. Looking forward to the Woodham Cemetery book...will be a welcome addition to our collection.

Have a good week-

John Andrews

Robert Earl...

Your packages containing the Woodham newsletters and the Cemetery Book have arrived. I just got through flipping through each page....job well done.

I will mail to you next week the back issues of the "Darlington Flag" in exchange for the two books. Maybe you will be able to obtain some information on the Woodhams that you can use in your newsletter.

Still haven't gotten around to sending you the Samuel Andrews descendands...don't give up on me....been extra busy lately with setting up our genealogical library at the Hartsville Train Depot....we had a law library donated last week, between 60-70 genealogical books given on permanent loan and a file cabinet full of Chesterfield family name folders given today. Hopefully this will encourage others to do the same.

Robert Hello cousin),

Thanks for signing the guestbook.

>I hope to see in the future, more actual records from Bedfordshire on the Internet: baptismal, birth, marriage, burial and other church records. >Also such things as court records, cemetery inscriptions, obituaries from Bedford newspapers, etc.

This is a bit of a sore point at the moment many over copyright. The people who hold the copyright are afraid that as soon as it goes on to the internet that it is very hard to police. The PRO in London also dosen't publish very much for the same reason and will not allow any one else to publish. I hope things willchange in the future.

I would say the nearest way to get records from this county in your own is from IGI's as Bedfordshire has around 98% of parish records included on it.

Robert,

I am so glad you have an email address. I have had your forms on my desk to fill out and have not been able to get to them - I had ours filled out but had not yet filled out Brian's brothers and sister's. Brian's momma died suddenly - 2-18 of a brain

aneurysm - a complete shock to all the family - she was only 67.

If you would like me to still send the forms, I'll be happy to. I'm attaching the family outline for Brian's family as complete as I have it at this time. It also includes his aunt and uncle's families too.

I have been to the AL State Archives and have located a copy of William Edward Woodham's homestead land grant certificate dated 1891, along with some other land purchase deeds. These had been donated by Priscilla Woodham Griggs. I'd be glad to send you a copy, if you don't already have one.

I would love to have a copy of the letter written by William Edward Woodham, when he was a soldier in the CFA. Let me know what I owe you. I will save some questions I have for another email. Once again - thanks for your patience and help!

Michelle Woodham

In a message dated 97-03-16 12:54:38 EST, you write:

<< woodham@leo.infi.net >>

Hi Cuz,

Gosh, that wqas a nice surprise to find you, and find you on line was even nicer. I've been online for a couple of years, with a son who works on the Alvin crew and at sea most of the time, it was the only way to get messages to him in a hurry.

Yes, I realize that I have not sent you information on my family, but, like you, I tend to put off writing letters, other than e-mail, but, now that you are on line I can fill you in a little bit at the time, if that's OK. I love this e-mail stuff and also love surfing the web. I found you in the Four11 that AOL has and have found several peiple that we had lost track of over the years. It's a great way to find just about anything as I'm sure you're finding out, since you have lost so much sleep. I tend to be a late night person mylef and enjoy sleeping late in the morning. However, my husband is one of these early to bed, early to rise people and is very alert and happy in the mornings, unlike myself, I tend to grunt and growl for at least an hour. We have settled our differences, though and in that respect, we do our own thing. I don't make him sit up late and he doesn't make me get up early. What more could you ask for?

OK, I will start with my own family history and work back. I was born Feb. 1, 1936, in Eustis, FL. Moved to Winter Park at the age of six, attended school in Winter Park, graduated from Winter Park High in 1954. Married Paul Raymond Olds in November 9, 1955. Children: 9/14/56...David John, 12/28/57, Paula Rene', both of these children drowned on 6/22/61....This is why it's kinda hard for me to write this down. 7/21/62, Joni Christine, 8/5/63, twins, David Wayne and Daniel Paul.

Joni Married Tim Rose in Bermuda on 7/20/84, Divorced in 90. There were no children. Married William Paul "Bill" Sequira on 12/23/91 One son, Cole Patrick born 1/16/912

David is still single, but looking. He is and electronic engineer on the Alvin crew whose home office is in Woodshole, MA. The Alvin is the small submerzable that does under water research.

Daniel is a computer programer for Lockheed/Martin in Orlando, FL is single, but has one son, Jeremy William Paul born 6/12/93

So, that's about it for my family so far. Maybe one of these days, my boys will settle down and marry and have kids. Sometimes, I wonder. Yes, I still call them boys. Guess I always will.

Well, cuz, don't want to bend your ear too much the first time out, but will work on another one soon. I promise.

Sure was nice hearing from you.

Chris

Robert,

Many Thanks for your e-mail concerning the Woodham family, and I am sorry it has taken me so long to respond, but I have been in the Middle East on business for a couple of weeks and not able to pick up my mail.

I have posted a hard copy of your e-mail to my mother who has retired to the south west of England, as at one time she also did some research on the family at a local level, and if she is in the mood may pass on some information.

I'm afraid I know very little, as we have never been a close knit family as far as I am aware! My father died in 1986 and was called Frank. He was born in 1910 in Houghton Conquest, a few miles south of Bedford, and I remember as a child seeing a number of family graves there. He had a brother, Walter, who had one son called Roger (i.e. my cousin), now living, as far as I know, in London (Has a Compuserve account) There was also a sister, called Vera, who died a spinster about 5 years ago, and there may have been a further brother who died earlier, but that's just a feeling I have. My grandfather's name was Walter, but my grandmother died before I was born (in 1952) and I have no idea of her christian name.

My mother's maiden name was Roft, and I was the only child of that marriage, but this was my father's second marriage. I do not know the name of his first wife, but it could be that she died in childbirth, but whatever happened, it was a taboo subject in our household. There was one daughter of the first marriage, called Thelma, who died of cancer about 10 years ago.

I met another Woodham in India a few years ago. He was an Australian, like me, there on business, and I may still have his business card somewhere If I find it I'll let you know.

I believe we also had a family member move to N. America, but that was much later than your family, and anyway, I'm not sure if it was a Roft or a Woodham. I think it was in the '30's or something like that. No-one as far as I know has been in contact.

It would be interesting to learn more about your project at some time.

Best Regards,

Jim Woodham

This E-mail may be a surprise to you since I haven't heard from you in several years. You sent my Daughter-in-law a message making inquires as to her family history. you have most of it and I am sure Bryan Leigh Woodham will provide you with all the details, If not I may be able to do so.

I was very surprise to here from you second source, but I am delighted because I was told by a woodham on the internet (set down Robert) that you had passed away about three years ago. I have tried to confirm this and had not done so at this time.

please let me know how you are doing, and where are you living now?

I needed to get in touch with you a while back and didn't know where to write or call. I had a mutual friend in NC that had a question about who Berry Woodham Married.

Hope to here from you soon. Will bring you up to date on some of the Woodhams in the Albertville Sand Mountain Area.

Robert Earl,

Thank you for your letter. I'm sorry that I'm so slow in replying - I have been out of town for several days. I've known the story of William Edward and his siblings being raised by their grandmother, Rachel Beasley Woodham. I have a copy of Priscilla Woodham Griggs book More History of the Woodham Family in Dale County, Alabama. If you would like a copy, I'll be happy to send it to you.

I do have a question that I'd like your help with. While researching the Woodham family history, I have collected several sources who all place Athanasius Woodham as the immigrant ancestor, who fled England after leading an unsuccessful Irish rebellion. I have a copy of Powell Atha Woodham's Early History of Woodham Family; copy of pages from Mrs. Marvin Scott's History of Henry County, Alabama; Mary Jane Weaver's paper The Woodham Family; as well as Priscilla Griggs above mentioned book. They all trace our line of Woodhams from England to NC to Darlington Co. SC to Dale Co. AL. This seems very plausible, considering the fact that the name Athanasius can be found in three generations of Woodhams. I understand that you place Thomas as the first immigrant ancestor. Has a connection been made between Thomas and the Woodhams of SC and AL? I have not noticed a single Thomas among the first three generation descendants of Edward Woodham (b.1746) and would think that there ought to be, if in fact Thomas was their ancestor. Help! This can get so confusing! I have copies of all the above sources, if you would like to have them.

I am very interested in knowing more about the Riley family. Concerning Mary Cordelia's father -Allison - we have him as Allison Sketo Riley. Could the J have been an S? Handwriting in the 1800's is so difficult sometimes. Brian's aunt remembers family members saying that they were connected to the Sketo family, and the land records I'm going to send you shows William Edward Woodham purchasing land from a William Sketo in 1860.

Websites to try-- <http://www.rootsweb.com> You can search and post surnames
<http://www.usgenweb.com> search any of the 50 states - some have data.
<http://www.oz.net/~cyndihow/> lots of links!!

I have had alot of success with the Rootsweb surname list - made several connections! Good luck.

I'll send those copies out to you and please remember to send me the copy of William Edward's letter.

TTYL

Dear Robert Earl,

I was glad to get a quick response. Ever since I got outline, I have found a lot of cousins online, but mostly from the Woodham side. My grandmother died on March 22, 1993, and she will be sadly missed, and it is hard to believe that she was hardly ever sick a day in her life. Do you need to know Donald's exact death date, if so it is July 18, 1995.

My sister, Charlene is a kindergarden teacher for a Christian school, she graduated from Davidson High, here in Mobile (that is where I graduated to), she also graduated from the University of South Alabama. She is married to James Edward Peace (b. Oct 9, 1964 in Lucedale, MS), son of Charles Edward Peace and Edna Christine Page. They were married on Oct 18, 1985, in Bay Minette, . AL and they have 2 kids together: Jarret Charles Peace b. June 23, 1986 in Mobile, AL, and Brooke Marie Peace, b. July 14, 1987 in Mobile, AL. They attend Woodridge Babtist Church.

My father is retired from the AL Highway Department, and now works in maintenance at the same church he attends, Cottage Hill Babtist Church, my mother is unemployed at the moment, but she used to be a Legal Secretary. I am not married nor have a job at the moment, but I am working on that. I will close for now, Christy

Dear Mr. Woodham,

I received a copy of the letter you wrote to Michelle Woodham recently regarding Athanasius Woodham. Thanks for setting me straight. I am a descendent of Rachel Woodham and John Bryant Daughtry. I have only been researching my lines for about a year so did not heed advice to prove everything and not accept everything I read as gospel. Had to go back and re-do my database as I relied on Mrs. Scott's information. Do you have anything in print with your documentation noted? I would be very interested in obtaining any publications you have done. I do have a copy of "A Brief History of the Woodham Family of the South" through page 40 but it does not contain sources for your information. Any help would be appreciated.

If you would like my line from Mazie Daughtry to the present I would be happy to send it to you.

Sincerely,

Dear Robert,

Thanks for your quick reply. My snail mail address is Carolyn Martin, 2002 Queenswood Drive, Tallahassee, Fl 32303; phone 904 562-3650.

I am sending an attached file of Mazie's descendents on to the present. My information is sketchy still. Some is from census records, some from family interviews, some from new cousins I have found through AOL.

Where did you find the information on her name _ Maisy Hester? Everything I have says Mazie or Mazy Helon or Helen or Heland. Never came across Hester. According to a typed copy of headstones, her name was Mazy Heland Atkinson. However, the same copy lists James Boswell as Jasper Boswell Atkinson.

I have two different dates of birth for her also - Dec. 9 , 1854 - the cemetery records, and Dec. 9, 1859 (I think, can't locate it at the moment). She and James were buried in Mt. Olive Cemetery, in Altha, Calhoun Co., Fl, according to the information I have. I have not been there yet or verified this. I know they were living there from the census records so feel it is accurate. Her sister, Ursula who married Dowling also is buried there, as well as several other Atkinsons.

By the way, who was Rachel's mother - I have seen Sarah Dowling and Sarah Fields and even Sarah Fields Dowling?

I would love copies of your books. I have no photos of John Bryant or Rachel. Do I send the check to you. If so, what is your address or where do I send it?

Stay in touch.

Carolyn

Hi Robert,

Thanks for writing back to me. Congratulations to you for writing your book on the cemetery. I will be happy to make a contribution to the cemetery committee, and not for the reason of receiving your book. I have been to the cemetery, last time about 3 years ago, when I first learned that it was the burial place of my ancestors. I don't know how it looked prior to the renovation, but I heard that it was terribly overgrown and in disrepair. You and the rest of the committee should be very proud of your work there. So, anyway, let me know where to send the check!

Regarding the descendants of Priscilla Adeline DAUGHTRY and John Q. BAULDREE: I am a descendant of that elusive Roxie BAULDREE and her husband, George W. HALLFORD, through their daughter, Claudia Mae HALLFORD. Claudia Mae, who was killed in a car accident in 1945, was my paternal grandmother. Since my father was a child when his mother died, I knew very little about my HALLFORD side of the family. About 15 years ago, I came across his mother's bible, in which her mother, Roxie Bauldree Hallford had written some family information. After years of research, I finally learned the names of Roxie's parents and her maternal grandparents, the DAUGHTRY line. In the last year I have been lucky enough to discover another descendant of Roxie and George Hallford, and met a woman here in town who is a descendant of the DAUGHTRY/WOODHAM connection. Her name is Carolyn, screen name, CMartin233@aol.com, and she is a descendant of John Bryant Daughtry and his wife Rachel WOODHAM, daughter of Edward Harley WOODHAM. I have also met in person a descendant of John Q. Bauldree and Priscilla Daughtry, and she lives in Marianna. By the way, I live in Tallahassee FLorida.

Here is a short descendant outline for Priscilla A. Daughtry:

 -2 Roxie Ann Bauldree

more about me, check out my webpage:

I would be very happy to see your book, even though I am not a WOODHAM descendant. Not far from the Woodham Cemetery is the Old Dean Church Cemetery, where many of my ancestors are buried. It has been extremely vandalized in the last 10 years and I have used the Woodham Cemetery as an example of one that can be maintained nicely.

Thanks for writing and I look forward to hearing from you,

Debra Walker Flemming

Hi Cuz,

I sent the Easter card to your friend, but it came back to me as undeliverable. I don't know what that means, but you might ask him and make sure the address is right. It's esy to leave out something when copying an address. I couldn't see where I had goofed, but it's always possible. Here is where I sent it:

DEADEYE100@msn.com

I'll be happy to re-send if it will let me.
Glad you liked it

First off, WHO are you? You forgot both times to tell me who you are.

I am Harry Windham. I am descended from Samuel's son James Windham, his son Joe, his son Witt and my father James Radford Windham. All of Dale Co., AL. My address is:
14126 Bluebird Lane
Houston, TX 77079
(281) 493-1222

YES, I am interested in getting more info on ALL the descendants of ELEANOR DUPREE ("Elender") WOODHAM and SAMUEL G. WINDHAM.

I was not aware that Samuel's middle initial was G. Do you have proof of this? I know there were several Samuel G. Windhams around, but didn't know he was one.

I have more details on birthdates and death dates if you would like them. Both Samuel and Eleanor are buried at Mt. Zion Methodist Church in Dale County.

I have a lot of details but would love to share/compare. Yes they are buried there, but I recently heard that the headstone was removed...

As for the children: do you have exact dates of birth and death on the oldest, JOHN NELSON? He died as a soldier in the Confederate Army but all I have is the years he was born and died. He was killed at Malvern Hill, Va. I don't know where he was buried. Also, I don't have info on what military outfit he was in.

I knew about the military record of John N., but did not know he was John Nelson. I also knew he was killed at the battle of Malvern Hill, but I have no details on that. Do you have confirmation on his name?

Until your letter, I did not have the death dates for Ann Rebecca, Theodocia nor Thomas Henry. I did not have spouses for Theodocia nor Thomas Henry.

Do you have additional info on descendants of any of the children? I would very much like to get all info you may have on ALL descendants of this family, to preserve in our Family Library.

Yes, I have quite a bit. I'll copy a more detailed descendant's chart, but it would be easier to exchange either a Gedcom or FTM if you have it.....

Please let me know who you are and which child you are descended from--and any additional information you can send.

Do you have any more information on the parents of Samuel Windham? I'll also

Do you have any more information on the parents of Samuel Windham? I'll also send you a descendant's chart for them if you would like. But I would dearly love anything you have on them or their ancestors.....Harry

Robert, thanks for the additional info. I'll compare it to what I have. Yes, I know how to do all those things with the computer and I'll try and help you out.

But first, tell me a couple of more things about your computer. Is it an IBM compatible and are you running Windows 95? Office 95? Or what Word processor do you have? What version of FTM do you have? I have copied other data into the computer you will likely want copies of. After all, now that you are getting computer literate, you'll have to learn more and more.....sort of like drinking water from a fire hose.

Do you have any more info on my John Windham, Samuel's parents? I have probably read a lot about the info that Eustace H. hayes provided, but he didn't leave very good tracks. To my understanding, he died without ever having proven the father of my John Windham.

We'll get thru the computer issues together.....Harry

I was glad to hear from you again and thanks for the info. At first I was confused about what you said about Rachel Richardson, but after awhile it clicked. Where you saying that John Alexander Woodham was the oldest son of Aris, Jr. and his second wife Caron H. Riley if so this clears up a lot of confusion. What info do you have on Caron H. Riley...do you know anything on her ancestry and what sources do you have. Thank You, Christy

Robert Earl-

Thanks for the copy of the War of 1812 record...I have seen this before....John Windham did not move to Orangeburgh.....this is where the company was mustered out at the close of their tour of duty. This record can be found in the National Archives (Bounty Land Applications). By the way, Allen Cooley (the man Windham was a sub for, moved 1st to Dale Co., AL, then to Walton Co., FL). The sister of my Andrews ancestor (Thomas) married Allen Cooley.

Thanks for your comments. I have have always known about Allen Cooley, but haven't been able to find very much on him. You mentioned that John served under Alan, but I was only aware that Alan served as a substitute. I also found where Alan was in the same area of Dale Co., AL the same time John moved there. So this suggests a very strong tie between these two men. (I believe Alan had a problem of some sort and had to move)

I am aware there has been a tie between the Windham and Andrews family, but I do not have any FGS' on them either. What else can you help me on on these two families?

By the way, Robert, you have opened a couple of doors that look promising, I certainly thank you for your help.....

I was so glad to hear from you ! Could not wait to get on this morning to check for a reply. I apologize for not getting to you sooner but the letter i sent about Lindsey I saved and did not get it sent.

You are very welcome for the notebook, I enjoyed doing every bit of it. I still have more to do especially copy photos for you, my friend has a scanner so I can put the pics on discettes and then I will not have to worry about the copying of the pics.

So you have FAMILY TREE MAKER ? That is the one I have in our file we have over 3,000 people I have had to separate my inlaws families because I was getting confused. Now I have about 300 in each of their family files so I have many WOODHAMs left to straighten out. I have started over on the WOODHAM file also, because the info I got was from Christy Woodham in Mobile, (she has been in touch with you) and her files have many errors and it is just too much for me to work on. On my family file I tried to stick to direct ancestors and on down to the 10 of us and our descendants. It is alot of work but I love it and Aunt KATE and Uncle Ernest and their daughter Becky have ben real encouraging as well as telling me things that I love to hear it is so great to have them because they were actually there when my parents got together and all that . Oh well I am rambling will try to settle down.

My sibilings think it is great what I am doing but it seems I am the only on with the tenacity and perserverance to carry on. TThey are not much help in searches but are eager to see the results. I guess I will be the one to carry the torch.

OH YES GUESS WHAT, last week I finally received my DADDYS medals !!!!!!!!!!! It took nine months, I am still waiting on one more and I need to got to the surplus store to get a couple ribbons pins and things but I hope to have them all framed soon. Cannot describe the feeling

I have been online a couple of years but have thoughts about discontinuing AOL, I would then need an internet provider so the girls can do their research and I can still "surf". The girls have gotten addicted to the Instant Message on AOL and has caused many problems.

I started this search for family history looking to get scholarships but I think it has turned out to be my therapy. I specifically am looking for info on our ancestors in civil war if you have anything please let me know.

Back to current events....

Lindsey was born in Port Charlotte do not know hospital but will get it for you. Patricia and Mike were married in Bayshore Baptist Church, Bradenton, FL. Mike's father was EUGENE REHFELDT (deceased) mother is NANCY NYLAND (maiden). Would you believe I just asked those two names this past weekend for family tree I am slow.

I would send you all our files but it would take forever online with my 14,4 modem I could snail mail it to you on disc. will verify and send 10 of us I did not send you printout of all of us did I ? I am sending request to uncle Clifford and Aunt Mildred next to verify all info on them and theirs. and to mama's brother. I have very little on her father and mother, the family tree leans heavily to the WOODHAM side :)

Well need to get dressed and off to work. Write whenever you can.
Love, ROBBIE

How are u doing I have'nt forgot u just been busy the last few days trying to get work done.

Here's some of the imformation for u & I also have some things u might like to have on the family but if I have to type them on here it'll take awhile.

It's some things my grandfather had that my mother gave me. I'd really like to get them copyed and send them too u if that would be ok if not I understand.

Please feel free to call me at work here's my number I get there by 10am here's #800-731-9625.

Ok my daddy does'nt have a brother but he does have a sister.

Her name is Christine Luther DOB: 3-19-29, married Robert Luther don't know when

he is a preacher. They have 4 kids (2)boys & (2) girls & alot of grandchildren. They

live in Keizer, Or. I can work on getting the imfo. on the kids for u if u like. I know

where (1) of my cousins is his name is David and he lives close to me in Ft. Lauer-

dale I see him once in awhile. He's married no kids though.

My mother knows Maggie & Ruby she got to met them once &

told me if I could go to Barwick, Ga. I'd like it cause of the streets there being named

after our family. Maybe one day I can go there and see.

U told me daddy was named after Norman Frederick. Do u know

where Eugene came in? As for Ned it's suppose to be Ned B. Woodham I don't know

how he is related yet. I also have a letter written by Ethel Mae & Ruby.

My daddy's grandmothers name is W.P.Woodham they called her

Big Mama. I also have someone named P.A.Woodham. Also why did u not see any-thing on his mother the correct way her name was is Pauline Mamie Chancey.

As for my family I have been married for 9yrs to William Scott

Oldaker DOB-1-6-61. An have to daughters (1)Neely Eugina Schmookler 2nd, she is named after my mother & daddy, 6-13-85, & (2) Norma Jean Schmookler, as U can guess by now she is named after my daddy, 6-18-86. Also they are my heart.

I have been married this is 3rd time & last time (LOL). I work for

a tire company as a sectary & my husband works for them also he is a service man

24 hour road service changes big semi tires. We do fair for a family would love to open our own company but don't know if we will or not.

As for my mother I love her very much & she lives nexted door too

us & that's so neat. My mother is a very special person to me she misses my daddy alot they were married for almost 35yrs.

Let's see did I miss anything? If I did I let u know. It's late I need to get ready for bed. Hope alls well and hope to hear from u soon. I think u are very special to me glad I got to know u. And I hope to be some help to u also. I hope to put a book together for my girls when I find out these things I save all mail that I get from u. Oh I found another Woodham that lives down in Aurburndale,Fl. an she give me some imfo. about her side. I'll tell u that another time I'm tired.

Hope to hear from u soon.

Your Cuz,
Kathy

Have put together some of our family tree. Will snailmail asap.
I know how exciting it is to get that kind of mail.
As you will probably see I have tried to compile the tree using Christy's tree, the book WOODHAM FAMILY TRAILS by Frank Miller Richey and most importantly to verify and to "trim the tree" I have attempted to use the Woodham Family Index. Aunt Kate has graciously let me borrow her copy. She is anxiously waiting for some results of my searching. So she is a great resource as well as encourager of this project. I will also send her what part of what I send you.

From Daddy and Mama on down is about 99 44/100 % accurate.
I have asked my siblings for input and corrections and have gotten little response so as of this writing I consider it kind of verified. Ha HA ;)
Great to hear from you any time.
Love, Robbie
p.s. no I do not have you in my tree yet.will wait for your verification.

Robbie,

Write Robert Earl and tell him he can download most of the things he needs to decompress and view images from the web. They are share ware and only have to pay about \$10.

I'm too tired to write him tonight.

Hi, it is the middle of the night here and everyone is asleep but me. So I started thinking, (which is dangerous) Billy said he was getting the copies of the books about the WOODHAM family cemeteries copied for our genealogical library here in Bartow. I wonder if you can tell me if in your research you have come upon EFURD family ? I think some of my Grandmothers family is buried at Hurricane church cemetery. And when I asked Aunt Kate she confirmed. It would aid me in filling in that side of tree. You know I do not have much on Grandmas side at all. Only what Aunt Kate can remember. Do you think you have a copy of my Grandparents marriage license ? I suspect they were married in Hartford County since they are not listed in Geneva County, ALA. Oh well just thought I neede to ask before I could get back to sleep. Talk to you later.

Well I am not trying to brag on you but it sure seems all these people I come in contact with do not know what the heck they are doing when it comes to family research. I have used common sense for alot of my RESEARCH and my skills I have learned working for the banking industry and my experience with PUBLIC HEALTH. I was not as impressed with Frank Miller Richey's work because it did not go very far and if he had actually conferred with you he would have at least had the ten of us in his records right ?

I like you am trying to stick to researching only my relations, but I think by accident the EFURD family is included in the cemetery records so I have benefitted from YOUR work in more ways than I can count. I am planning to take time off in JULY maybe then I can get some of the marriage licenses of my grandparents and other things from ALABAMA.. And of course will try to visit you if you are willing to put up with me for a visit. Do you have any idea the price or address of getting those kind of records ? Becky sent me a L.A. (lower Alabama) phone book. I may start there.

In your previous letter you talked about being online at work. I understand completely I use the computer mostly for research of family, email relatives and friends because it is hard for me to sit still very long. I get impatient if the computer takes a long time or kicks me off, that sort of thing. I think it is great you are doing so good "surfing".

I may be ashamed when you receive the records I sent for your approval but please understand I was not interested, I thought "some day" when Mama used to get onto me about NOT pursuing family history. So what you will find is compiled and/or word of mouth from My grandparents on back. Please do not be too hard on me! ha ha.

I do however want to leave all I can for my children or grand's or neices and nephews.

Donna spent some time here with us this past weekend and she said to tell you when people send you pictures to send them in "jpg" that is the most recognized and most used format and your computer can probably convert and read it.

I am probably rambling again will try to get back to work just ran by the house to let dog in because of rain.

Catch you later, Robbie

Thanks for the info on Hartford. hope you got some rest.
Will continue to search for place and date of Grandparents marriage. If I
come across any marriages in Fla which I think I will, do you want me to send
you copies of all that I get ? Probably will only be from Manatee County
because Billy Peters has researched here in Polk County. I want to get copies
of all in Manatee County because that is where most time was spent by
families.

Talk to you later, Robbie

Dear Mr. Woodham:

My name is Mary Joyce McCormick. I'm doing some family research for my mother. Her name is Nina Lee Causey McCormick. Her mother was Minnie Lee Woodham.

What kind of information do you have available for this family. Specifically we're trying to find (without much luck, I might add) which unit in the CSA my mother's great-grandfather served in during the Civil War. His name was John Wesley Woodham and he was living in Covington County, AL at the time. I have tried to find some kind of listing as to the units that originated from that county so that I could get the muster lists, but nobody seems to have this kind of information.

I do have some of the pedigree chart on our family if you would like for me to send that to you in return for your help, although I suspect that you've probably already researched this yourself.

Any help would be greatly appreciated.

Thanks in advance:

Mary Joyce McCormick

Hi Robert Earl!

I just received the cemetery books. They are wonderful!! You did a fantastic job. I was disappointed though that there was no picture of Rachel and John Bryant Daughtry. The photo of Nellie may have been the one you were thinking of, but the description states that it is Nellie surrounded by her children.

Guess I'll just have to keep digging for a photo.

Please let me know whenever another family reunion is held. I'll try to go.

Thanks again,

Carolyn

Robert:

Thank you so much for getting back to me so soon. I really appreciate it. I told my mother of finding your name on the Internet and also of learning of the association. She was absolutely thrilled to hear of it. I would be more than happy to provide you with the information on my mother's family. One thing that may surprise you is that (gasp) my mother married a Yankee!!! He's from Pennsylvania. I would like to see the newsletter and I'm sure that my mother would as well. Just send me the information about subscribing and I'll pass that along to my mother as well. How could I obtain a copy of John Wesley's record?? Or could you go ahead and let me know what his unit was, if you don't mind. Again, thank you for your response. I will be sure to send you the information on my brothers and sisters as well. Did you need any other information about my mothers brothers and sisters? I can get that to you if you need it. Thank you again:

Robert:

Sorry it has taken me so long to reply. I told my mother about the association and we will be sending in our money very soon. She was so excited when I told her what you had written to me. And very happy to find out her great-grandfather's unit. She wanted to know if you would perhaps know what battles that particular unit was in. I have looked all over the Internet trying to find some kind of history for that unit but have so far come up empty-handed. It can get quite frustrating at times.

Before I forget, this might sound like a stupid question but how are you

Re: Woodham family

and I related then? Are we like second cousins so many generations removed?

I will be going back home tomorrow and delivering to my mother the e-mail that you sent me. She has been collecting family history information for about 30 years now and will add you to her list of "informers". Also I will be collecting all the names and dates of my sisters & brothers birthdays, marriages and children-there are a lot of them-and sending those to you when I return on either Monday or Tuesday. Nina had quite a few kids and all of them have kids as well-except me. Anyways, thank you so much again for all your help. We really appreciate it and I look forward to your next e-mail.

Mary Joyce

Good mornng, Robert Earl

I have been adding info from your books to my database and have found some discrepancies with the info I have.

Right now I would like to straighten out Nellie and Major H. daughtry's kids. The 1870 Dale Co. census lists the following children:

J.M.D. 12yr. old female (date right for your Cynthia but initials don't match)
Mary 10 yr. old female (matches your Mary H. except you have her born 1850 - should be 1860; 1850 was prior to her parents marriage also)
S.J. 8 yr. old female (possibly Pheribe)
M.J. 7 yr. old male (matches your Martin)
A.O. 5 yr. old male (matches your Albert)
M.A.M. 3 yr. old female (this one doesn't match any of your names or dates)
J.T. 1 yr. old male (date matches Samuel but not initials)

Your Carrie should have been listed on the census as an infant but wasn't. Ida and James were born afterwards.

The 1900 census lists Cynthia D. but born October(not July) 1858 and Mary H. born Mar 1860 still living at home. I apparently only looked for Mazie and James Boswell Atkinson in the 1880 census. I'll have to go back and check on the other Daughtry's.

Can you help me clear this up?

Carolyn

Robert Earl, Does the Association still have annual reunions ?

I am seriously thinking about having our next one next summer (May, June, or July 98) and invite any WOODHAM from this area as well as relatives I know and love.

Also, when I spoke to you on the phone awhile back, you said you were finishing the books on the Cemetery or Cemeteries which ones would that be and do I need to get them ?

Sorry about the confusion. I must not have change my email on those pages when I changed providers. Are you sure you want all descendents of John and Polly? That would be a monumental task. If so a good place to start (if you have not already been there) is Val McGinness' web page on An Alexander Family located at this site:

<http://www.accucomm.net/~wmkstwo/CompanyA.html>. It is a large page. Actually it is the online version of a book. I have a printed copy of the book. I can gather the information on John's granddaughter - Henieretta Dupree Alexander - who is my ancestor. I can check my files for other people researching Alexanders that are not in my direct line.

Questions for you - Was Edward Sr's wife Eleanor Dupree? Is Edward, Sr's father Thomas, II? Do you have his wife's name? If so do you have ancestors for Thomas, II and places?

I think we can help each other. You want descendents. I want ancestors. Thanks.

I hope you kept a copy of your message as I am not quoting. We have only a little info on descendents. I only know of one other Crosswell researcher and their line comes from my James E.'s grandfather. I can send it fax, snail mail or an email attachment. Keep in mind that many of these people are still living.

I have heard that there were DUPREES in the area. The first hint of that surname anywhere in my lines came from the Wodham Web page which shows Edward, Sr's wife as Eleanor DUPREE. The Crosswell researcher who is descended from the cousin of My James E. has said that there were Duprees in her line. I will check with her to see if she has anything on Eleanor Lockett.

In the printed version I have of the McGinness book (updated 4/15/97) it shows Edward, Jr as being the father of Mary. Another researcher, Michelle Woodham, said that she had shown the father of Edward Sr as Athanasius. She gave you credit for introducing the "Thomas" line.

Robert Earl...

You don't know how happy all this info makes me. I've already added a lot to my "hard copy" in Word. Every once in a while I transfer it over to html.

Question: Got any idea what ever happened to Ervin M. Alexander, a son of John and Mary Woodham Alexander? I remember someone telling me that he may have gone to Mississippi as did brother Aris Alexander. I have looked in to U.S. and state census records there, but haven't come up with his name.

Question: Do you have the difinitive word on Mary or her mother being called "Polly". Are you the one who made the entry into the Mormon genealogy department records about her name being Polly? John's sister, who married Paris Hickman was supposedly named Mary "Polly" Alexander also.

In answer to your question, I was asking about the Mt. Olive Church Cemetery (you mentioned in an earlier email) over in the Dale County / Coffee County line.

If you're putting my address in manually everytime, you may want to use your browser's address feature. In Netscape I look under "Window" then "Address Book" then "Properties" then "Add User". All I have to do is double-click on the person I want to send to and it automatically pops up a email-sending window that already has the person's name and email address in it. I just add the subject and content and press "send". Pardon me if you already know all that.

You told me about your passion for this stuff. I know what you mean. A lot of folks have given me the cold shoulder about this over the years, but I feel driven sometimes to get what needs to be said...said. It's up to people like you and me to make sure that these people are not totally forgotten. I believe everybody's got a reason for being here...and I think my reason is too fill in the gaps and make these histories available for years to come. I wish it were a more exact science...and that I lived in that area to do a lot more research. I don't do it for money...if fact I put in hundreds of hours over the last 15 to 20 years...spent literally thousands of dollars on traveling, printing, computers, etc. just to get a decent history for folks to read. I also commend you on your wanting to restore these cemeteries. So many times I see forgotten graves of people I don't even know and it hurts me. I wish you much success with your endeavors. I'm just a working family man, but I hope to someday be able to help with your restoration of the Bishopville area Woodham Cemetery by buying one of your notebooks. Does it cost big bucks to have professional archeology teams like those in Atlanta come in and identify graves and remains? They did that to a late 1800s - early 1900s black cemetery near here that is going to be covered by water for the new water plant and park. But that was all part of the millions and millions of dollars they're putting into the area. Probably too expensive, but wouldn't it be nice to actually know who was buried there and be able to mark them all. Just a fantasy.

Enough of my babbling. Look to here from you.

Tell me to back off if I'm questioning too much, but you got me fired up.

1. You stated in one of your last emails that you had the same tombstone dates on Henry M. Alexander that I have. I don't have any...only "died in young manhood". Do you have those dates?

2. On Happy Cuttino's first wife, Nita, you skipped from granddaughter of Bragg Woodham to great-great-granddaughter of John Wesley Woodham. Is that a typo or is there a great-grandparent in there somewhere. Check your "sent" section to check that email that you sent that info in.

Through the courtesy of Michelle Woodham, I received both your address and your long letter on the mythology that surrounds the Woodham line. I am new at this pursuit, but have wanted for a long time to discover the ancestors of my ggrandmother, Hester Ann Woodham, daughter of Frederick Woodham and Mary Ann Pollard. (I think! I've depended on Michelle and other cousins for most of the information I've collected.) Hester Ann Woodham married Henry Hawthorne Smith, whose ancestry is another mystery, in Henry County. They moved with other settlers from Henry and Dale to Clarke County. My grandmother, Alice Camilla Smith, married Robert Lafayette Etheredge. My mother, Alliene Brown, spoke often and with great affection of her grandmother, and if my grandmother Etheredge's wit came down that line, I should have been grateful to have known her as well. She spoke of her uncle Wright and cousin Keener, who lived around Coffeenville, and there were other Woodhams in the vicinity--Sim Enos and Peggy were two I knew as a boy, but I never knew their lineage. I have received so much information, some of it now suspect, that I take the liberty of asking you if you could give me an authoritative outline of where we came from. We are having a family reunion in July, and I would like to have some clearer sense of our Woodhams and how to tell my family how to conduct research for themselves. A word of introduction: I am a professor and head of the journalism department at Auburn University. I would like to know more about you and about other Woodhams. Michelle and Christy have told me about all the Woodhams who've been preachers and teachers. Perhaps the gene for these often thankless pursuits can be blamed on some of our Woodham ancestors. Thanks for all the help I have indirectly received from you. Your own investigative work and clear writing make me happy to claim kin. jerry elijah brown

Dear Robert Earl,

Thanks for your fine letter. We are lucky to have a cousin with your dedication and skill--both at writing and research. I am also delighted to learn that you are so close. I had to stop by the office this morning to pick up some mail, so I don't have time to give your letter the reply it deserves. Here are some superficial responses:

The John C.J. listed as my grandmother's brother must have been born in 1879, not '69. My grandmother was born in 1881 (I think). She is buried at River Hill Baptist Church cemetery, in Salitpa, between Jackson and Coffeerville. I'll check her tombstone on my next trip to the old grounds. Hester is buried beside her husband in the Brewer or Bell cemetery, not far from New Prospect Church, between Grove Hill and Coffeerville. Her grave is unmarked, but her husband's is, and my folks plan to place a marker as soon as we can determine her dates. The Lora who married a Brunt sounds suspiciously like John's daughter, who first married Connie Brown, the brother of my father John Coley Brown, and after that a Brunt. It may simply be a coincidence, however, that another Lora married a Brunt.

One of these days, as my own nieces and nephews get busy working on genealogy, we can provide the Woodham-Etheredge-Brown connections. I am learning not to expect this work ever to be complete, but it is a pleasure to see some of the blanks being filled.

Bunches of my Etheredge connections are in journalism, and now I can see that this gift (or burden) can also be traced to the Woodhams. They appear to be an impressive set of folks, all told--and I realize the ambiguity in "impressive." I can, on occasion, even identify with the drunkard, though I have not yet plowed through any family graveyards. I knew my great uncle Jesse well, and he was quite a character. We still tell stories about him. Would that my mother were still alive or that I had a better memory for the fine stories she could tell.

Thanks again for the correspondence. I hope we will keep in touch and that you can visit me here.

Robert Earl,

%20woodham@leo.infi.net -- it was returned -- here is the email I sent ----

Robert Earl,

Bravo! I commend you for your hard work on the Dale County Genweb page!
Concerning your first sentence in the 'Woodham' family history - "All of the Woodham's with roots in southeast Alabama are descended from three men who settled in the area in 1832: Edward Harley Woodham Sr. and his two nephews, Aris Woodham Jr. and Athanasius Woodham." This is not quite correct - Another of EH Woodham Sr's nephews (Edward Woodham) had a son - William Edward Woodham who followed his relatives to Dale County abt 1852. After his father's death, William Edward spent much time with Edward Harley Woodham Sr's family, probably accounting for his move to Alabama about 1852. William Edward Woodham's original homestead certificate can be found at the Dale County Historic Society. I've attached an outline of William Edward's descendants, many of whom lived and died in Dale County. William Edward and his wife - Elizabeth Ann Kelly are both buried in Mt.Carmel Cemetery as are many of their children and grandchildren. I recently made a trip to Dale Co. and visited several of the cemeteries. I plan another trip in the near future. If there is anything I can do to help, please let me know.

Robert,

Thanks for the reply. What a surprise to come home and find your message. No wonder I couldn't find Thomas' death certificate since I had the middle name wrong. I'll try again and see if they have one. I have been to his grave. I don't remember why I thought his middle name was Jefferson - someone must have told me that. Do you know what regiment or company he was in during "the war". I would like to get the records.

Ozzie Alice was my grandmother. Her only son Lawrence Edward Miller was my father who is now deceased. I have a sister (who works at Ft. Rucker in the Technical Library), one brother in Panama City and another brother in Atlanta. I live in Tampa. Where are you? Look forward to hearing from you again.

I thought if the Henry/Hester children were listed in birth order, the gap between John and my grandmother was too great. But it wouldn't have been likely that H&H would have been married 12 years before producing progeny. Still, that Lora doesn't look right to me. She was John Smith's daughter, that I do know. By the way, in my years of studying American literature I have mused over being the descendant of a man named Hawthorne whose wife was named Hester. Though the Scarlet Letter was published in 1849, I doubt that either had read or even heard of it. I would like to know more about the ancestry of HH Smith, particularly where that middle name came from.

Thanks for the continuing connections. I understand that Jean Woodham, the sculptress, whose work is in front of our fine arts complex, is a cousin. Tell me where your line and mine cross. jeb

Dear Cuz,

Thanks for the info on Thomas J. My sister tried years ago to get his death certificate and was unsuccessful but we thought his middle name was Jefferson. My grandmother Alice told us that I think, or maybe it was her brother Oscar. Can't remember, oh well. My cousin Charles Baldwin (son of Walton) showed me a news article that Layton Miller (my g g grandfather "Twiggs") wrote about Thomas. It said that he was walking home when he caught his foot on a bean vine and fell. A Dr. Bell drove him to an infirmary in Dothan but he died before they arrived. He was a member of the Rose Hill Lodge #203 where he was a Master Mason and Echo Lodge #345. Have you ever seen any records of the Masons or is that allowed?

Here goes the info on my family. I'll send the Baldwin info later in the week.

Hi Robert,

My name is Edith Skinner. I live in Columbia, SC and Jehu Mixon is an ancestor on my father's side. I'm visiting Louisiana right now and don't have any paperwork with me, but if you could contact me at 73663.1014@compuserve.com next week, maybe we have some info we can share.

I'll be at the address I'm sending this from thru Friday. If you'd send me an email back here, I'd appreciate it. I'm trying to get my father interested in the internet, but he doesn't quite see the use for it yet. But maybe soon . . .

Great piece of work!

Sorry you're having so much hardware trouble, but the product looks tremendous.

I've been researching the Reaves family on my mother's side and was shocked to learn they lived in Dale County from 1845-1872, and then went to Texas. Of course the descendants didn't meet until 1940 in Texas. The Dean family I saw in your cemetery listing were neighbors and relatives, both in Alabama and Texas. My second greatgrandmother was Melissa Dean, who must have died in AL prior to the move. My ancestor was a George Washington Reaves, or Reeves (they spelled it both ways because they were all illiterate until they came to Texas). He fought in the Civil War and must have lost all his property either during the War or Reconstruction.

Do you have military service records for Presley Nelson Woodham for the Creek Wars? How about Union and Confederate records for my turncoat ancestor James Robert Nelson? Please send copies if you do, or if you don't let me know and I'll order them from the National Archives.

Great hearing from you

For best control of your webpages, I recommend Word 7 (Windows 95 version) along with the downloaded (free...not shareware) Internet Assistant for Word. You can edit your page like a word processor with formatting and all, tell it to put it all in html (the text part only) and then add your images when you put together your final uploading files. For general duty...not research data pages...I recommend you use Netscape Navigator 3.0 Gold, download available free from www.netscape.com. Even if you put your document together with Word and Internet Assistant, you can edit it later with Netscape Navigator 3.0 Gold. I've experimented with several different softwares, but I find this combination the easiest and most reliable. Your needs may be different.

Me again...

I re-read your email and wondered if you are possible putting an htm
suffix on the files that you are uploading and coming out as garbage.
Look at them right before you send them up to your server and see if
they are .htm or .html. Whenever I had that problem, that was generally
was causing it. In most cases, the files have to be suffixed with .html
before they will work properly.

Now I see why you cannot stop. I just keep going and going like the Energizer Bunny. Between scrapbook-making an Family Tree pruning I live a full life...HA HA

Robert,

I'm not a WOODHAM descendant, but enjoy researching all Edwards County families, on behalf of the Edwards County Historical Society. If you don't have much information on the Edwards County line, I probably won't be duplicating information you already have? Is that correct?

I'll see what I can gather together.

Sorry for the lack of identification. I am Andrew William Marshall. My father was William Bull/Marshall of Midland City AL, brother of Mary Alice Woodham, about whom we have spoken. I have begun to provide you with data about the other brothers and sisters of William and Mary Alice. I currently live in the Orlando, FL area and am working on the Bull/Marshall family.

jerry:

this is the info I copied regarding all these dowlings. Robert Dowling (scotland) m. Sarah Guinn. They became parents of John Dowling who married Nancy Boutwell. Nancy moved to AL following john's death. She died may 30 1849 at age 73. John and Nancy B. Dowling were parents of dear Dempsey Dowling (b. 12/14/1783, d. 4/26/1865, m. Martha Stokes in Darlington District SC. Her parents were John Henry Stokes and Nancy Patience Alford, who married in VA. Martha Stokes (above) b.Mar4, 1787, d. 1/15/1859 in dale Co. AL. She and dempsey were buried at Claybank cemetary in Ozark. Nancy Boutwell Dowling is buried in Methodist cemetary next to Zion church not far from Haw Ridge, Coffee County, near Enterprise, AL.

Now, i don't know, but a wager might pay off. it is quite possible that your james dowling could be a brother to my john, and it's possible, too, that your Mary could be a sister to my Nancy Boutwell. If so, little Sarah could be "double first cousin" to Dempsey. you might check your dates and places for comparison.

William Marshall b March 16, 1898, d November 1961, first married Sallie V. Riley in abt 1925. They had one son, Willie James Marshall b Dec 3, 1929. He married Elva Mae McCaw, b Mar 15, 1929 in Lawton, OK. Willie was stationed at Ft. Sill, in Lawton during the Korean conflict. They were married Apr 5, 1953 in Pascogoula Miss. They have two daughters Sally Ann and Joanie Denise. Elva died in 1996 in Midland City, AL. Willie is getting married again later this month to a lady living in Mobile, AL. Sallie V. died when Willie was still a child. William Marshall then married Melonae Bright from the Echo/Skipperville, Dale Co, AL area. They were married abt 1940. They had no natural children. I am adopted and am the natural child of Ellie Mae, Melonae's sister. I was born in Skipperville, AL Sep 15, 1945.

Albert Franklin, b Aug 1892 married Mary Hughes, b Nov 23, 1896 d Apr 1983. Albert and Mary did a "mid-night" move from Dale Co, AL to the big city of Jay, FL, where he lived on a farm of peanuts, corn, raised hogs and had a sausage company for a while. He farm was in the middle of the Jay oil field. Do I need to say that he quite farming. They had three sons, Willie Lee, Ed, and Ray. Albert was in the Navy during WWI, Willie Lee was also in the Navy in WWII, surviving the Japanese sinking of the USS Helena.

I hope this helps.

The message I lost probably answered the question I had about the Enfinger and the Bull at the last of your Enfinger file at the Dale CO site. Please provide that answer again. Thanks, Andy

You are so right about being hard to chase the women down. When my grandmother started her "genealogy" search it was solely to qualify for the DAR and the UDC (btw James Crosswell is who she joined the UDC on) and cared little for the women. Her research also stopped when she found someone to qualify her for the organizations. James was her paternal grandfather. Her maternal grandfather also served (John Dury Askins) but he is also rumored to be a deserter.

That is why she stopped the Crosswell search with James and continued the Askins research back to the Revolution. I doubt that she knew that William Belk was an ancestor even tho she lived the last 30 years of her life in Camden where William had died a wealthy landowner.

Thanks for the message on Powell Woodham. I did throw it all away and advised the one person I sent it to to do the same. I never did put too much stock in it. I'm excited to hear about your book. When will it be out? Any chance it will come out this summer? Do you have photographs in it. I have a photo of Thomas "Jack" Woodham and would be glad to copy it for you. I also have a group photo of a "bee robbing" and don't know who all of the people are. Some are Baldwins. In the photo are Jack and wife Mary Riley Woodham, and Eddie Baldwin and wife Sarah Woodham and their children. The others are Jack and Mary's children and grandchildren. Some I don't know.

I went to Ozark a couple of weeks ago but was only there Sat. afternoon and Sunday morning. I did follow your directions and went to the Woodham Cemetery. What a thrill. My sister lives in Ozark and she didn't know it was there.

We are both looking forward to reading your book. Thanks for the reply.

I don't remember hearing Grandmama Etheredge ever talk about a sister. My mother died in 1988, and I know she wrote some family history. The aunts she spoke of were on her father's side. It'll be summer before I can devote any time to research, but eventually we'll track em down. It bids fair to be a big bunch of folks to add to the tree. Do you have letters or photographs of our mutual ancestors? Are we related to the Dempsey Dowling of Dale County? Thanks for responding. I didn't think that information was correct. I was curious if any of it was worth anything. I gave one person a copy of it so I guess I better let him know about it.

Do any of the Woodhams have reunions? The Millers have one at the Echo Methodist Church the 2nd Sunday of October. There are a few Woodhams who come along with some Ards and Whittles.

I'm looking forward to going to find the Woodham Cemetery. I've never been there. I want to do some more research up there too. Right now I am working on the Miller line some of whom lived in Marion Co. Florida in the 1840s. I'm trying to document my connection in order to receive a Florida Pioneer Descendant Certificate. To get one you must prove you are descended from someone who lived in Florida prior to 1845 when Fla. became a state. I think I finally have done it and have spent the last week typing it all up. Hope to mail it next week. The certificates are awarded by the Florida Genealogy Society and they are very particular about your proof because it goes to the Florida Archives.

I don't know if you are familiar with William Miller (wife: Lydia Ard) who lived in Echo. He was born in Fla. in 1849 and his grandfather Thomas Robertson (Williams' mother was Caroline Robertson) settled in Fla in 1843. I have been fortunate enough to find "another cousin" here in Florida is also a descendant of Robertson and she has done an enormous amount of research too.

I wish I could retire and do this full time.

I got your query from the Darlington County, S.C. on USGenWeb site. My mother is Dorothy Windham daughter of Waverly Vern Windham, Sr. Waverly was son of Thomas Henry Windham who was son of Samuel Windham. In approximately 1836/37, Samuel Windham married Elender Dupre Woodham, probably in Dale County, Alabama. Elender Dupre Woodham was born 17 August 1817 in South Carolina, probably in Darlington District. I do not know who her father was but he grandfather was Frederick Woodham, the First. However, I know virtually nothing about Frederick Woodham, the First.

As you may or may not know, a family by the name of Dowling is closely associated with the Woodhams and Windhams as both were from the same general area in South Carolina and for the most part migrated together to Dale county, Al. R.A. Dowling wrote a book published by private printing in 1959 called "A Dowling Family of the South". This is my source re: Frederick Woodham, the First. In that book, he also discusses a Woodham by the name of Elisha R., born 1842, whom the author claims was the son of Frederick, II. However, he does not discuss the relationship between Frederick, I and Frederick, II. (i.e. father-son or uncle-nephew, etc.) He also writes that "it is told" that Frederick, II's great-grandfather, an Englishman named Atha Woodham, II, had served so successfully in the House of Commons That Great Britain's king had sent him to Ireland to supervise "Crown Land". Within five years, Atha had an unsuccessful Irish rebellion against the king and subsequently fled to the colony of South Carolina. I have not been able to substantiate this. The 1850 census of Dale county, Al. has several Woodhams including Frederick, II and Elisha R. on pp.213 and 214. You now know just about all I know of the Woodhams. Any connection with your Woodhams? Do you have any info. you can share. Thanks.

Yesterday I mailed some pictures to you of Thomas J. "Jack" Woodham's family. One is a group picture and the other two are of Jack and wife Mary Riley, and Eddie and Sarah Woodham Baldwin. Hope you enjoy them as much as I have. I also sent a check for membership in the Woodham Association and the history booklet and the index.

I'm off to Wauchula, Fl this Sat. to meet another cousin! The Judah/Ard connection. I can't seem to stick to one family name, I have to do them all.

thanks for your prompt reply! I was told when I first started doing family research not to always trust these "family books" and you obviously just reinforced that for me. The Woodham Web Page is coming along nicely and if there is anything I can do to help, let me know. I expect to be joining the association very soon and will make a contribution to the cemeteries.

I am a descendant of Samuel and Eleanor's ninth child, Thomas Henry Windham. I assume you have his birth and death dates. On 28 July 1883, he married Ida Stephens in Brundidge, Pike Cty, Al. Thomas and Ida's fourth child, Waverly Vern Windham, Sr., is my grandfather which makes Eleanor Woodham Windham my gr-gr-grandmother. Waverly was born 22 April 1890 in Dale Cty. After Thomas Henry moved the family to east Texas, Waverly married Lois Anderson on 19 Apr. 1920 in Bronson, San Augustine Cty, Tx. My mother, Dorothy Lee Windham McAlister was Waverly and Lois' fifth child, born 24 Feb 1931 in Call, Newton Cty, Texas. Dorothy married Alvin Earl McAlister on 19 March 1949 in Holbrook, Navajo Cty, Arizona. I am their sixth child, born 25 March 1965 in Winslow, Arizona. Dear Robert,

I went to Wauchula yesterday and met my Judah/Ard cousin. They don't know who John Brady Judah is but his name appears on all kinds of papers on this family. Since the Judah's and Ards intermarried he is kin to both. I don't know what the Woodham connection is??? The Ards are a real puzzle because for generations all of them named their children the same thing. Cousins had the same names as their cousins!! John Judah may be descended from Reuben Ard Jr. but I really don't know. If I figure it out I will let you know. I am suspicious of some of the info I have found and it seems Judah's name is on some of the stuff I got from the LDS library and from my Aunt Susie Miller Jackson. (She is the sister of my grandfather Wm. Alvin Miller). Aunt Susie is 80 and she gave me the records not understanding them herself.

One of my South Carolina Ard cousins referred to "Three Rivers Historical Group" in Ala. Do you know who or what this is?? Some of his info came from this organization. He wanted to know who John Judah was too.

You should be receiving the pictures any day. My sister said she mailed me the list of names for the group picture. I will send it email when I receive it.

Hope you are taking care of yourself. You should take at least an hour a day to relax, exercise, soothe your mind. If the Mormons are right we are going to meet our ancestors one day and we will all be together. I can't quite imagine this!

Dear Robert Earl:

Thanks for answering my initial inquiry so quickly. I found your name and e-mail address by a pure accident when I was searching the www for something else, and I just wasn't sure if it was you or not. Sometime a few months ago I received an e-mail from a Robin Woodham in Florida who was searching for relatives, and she told me that you had died. I'm glad that she was wrong.

This e-mail address is at my office (Lockheed Martin Corporation in Denver Colorado), and probably won't be active much longer. I am trying to get the paperwork approved to leave on medical retirement, and I expect that will happen very shortly, maybe even this week. I actually took early retirement back in 1994, and was retired for about two years, then returned to work last year. My health since then has gone downhill rapidly. In one year, I've had prostate cancer surgery, and now face surgery for spinal stenosis. On top of that, they have now diagnosed me as having rheumatoid arthritis in both hands. As of today, everything seems to be under control, but I think that I'll be better off fighting the illnesses without fighting the job too, so I'm in the process of retiring (again) for the last time.

At any rate, my home e-mail address for the present is mewoodham@worldnet.att.net

I may drop that e-mail service and go back to America On Line. If I do, I'll let you know. I was with AOL before, but I was one of their customers who became very unhappy with them and dropped them back early this year. I may go back and try them again just because I really liked the way that their service worked (when it worked).

As you said, it has been several years since we corresponded. I kind of lost touch with you back when the fighting broke out between the opposing factions who wanted to run the Woodham Association. Until now, I wasn't even sure that there was anything left of the Woodham Family Association.

In the years since we have corresponded, all three of dad's sisters have died. Dad was the first one to die, in 1982. His sister Billie died in 1987, his sister Opal died a few years later, and I have recently heard that his youngest sister Mildred has died. I am somewhat isolated out here in the west, and only get occasional information from the cousins back in the south, so I don't know for sure when aunt Opal and aunt Mildred passed away. So far as I know, dad's brother Glen is still alive in southeastern Missouri, near where dad lived (Malden Missouri). He is the last member of that generation. I don't know for sure how old he is, but he has to be at least in his mid seventies.

My end of the Woodham family tree looks like it will come to an end with my son (Milton Jr.). He has no children and doesn't plan on any. I do however have two grandchildren by my daughter (Catherine Woodham Sharpton). My grandson Jacob looks enough like his great grandfather Gene Woodham to be his son. I often wonder what dad would have thought about his great grandson.

You were talking about computers. My computer at home is an old Macintosh. I bought it about 4 years ago because we use Macintoshes at work and I wanted to be compatible with my office computer. It does almost everything that I need to do at home, and I think that it

is a bit easier to use than a normal PC with DOS or Windows, but there are some things that it just won't do because you can't get the software for it that you can for an IBM compatible PC.

I'll go looking for the Woodham Family Association home page, and now that I know where you are, I'll try to stay in touch. Please do the same.

(Please pardon the typing errors, my hands aren't working too well this morning.)

Straight Ahead!

Your cousin Milt.

Thanks Robert,

I'm in the process of verifying John and Mary's children and their birth dates. As soon as I'm done, I will forward this to you. Information on Mary's parents would be very beneficial to me as to finding out about John. I do not have any information about that. Larry Noah (descendant of Abner Alexander) states that he has info on Mary's side all the way back to England. I am a descendant of James Alexander son of John Alexander. Do you suppose that John's father also came out of North Carolina?? We do have info of some Alexander's that came straight from Ireland to the South Carolina territory but we can't find any links to them as of yet.

Dear Todd,

Glad to hear from you. Yes, I do have info on the Woodham's before MARY but not on John's ancestors.

Unfortunately, no one has yet been able to identify who his father was. By the time his mother moved from North Carolina to old Darlington District, SC, she was a widow, so there are no records left there to identify who he was.

Please send me details on who you are descended from, with info down to yourself.

Will be glad to help you out.

Thanks Robert,

I am cooridating with Val McGinness to calibrate the descendants of John and Mary Alexander. Do you know any thing of John?? It is said that His mother Francis moved to South Carolina with son John as a widow. Possibly caused from the Revolutionary War. When I get the descendants of John and Mary straighted out, I will send you my seven generation (so far) tree.

I understand that the Woodham grave site where John and Mary are buried had been "plowed".

Thanks,

I'm still trying to find the death date of Hester Ann C. Woodham. (Any inkling as to what that C. stood for? Since my grandmother was named Alice Camilla, and so was a cousin, I'm guessing it was Camilla.)

Our family reunion was held last Saturday, but I didn't make it. Clarke County appeared directly in the path of Hurricane Danny, and, since I had been through Opal in '95, I chickened out. Turns out they had a fair day and a good time. Without me. I'll be traveling through the county on Friday and hope to visit Hester's grave.

I look forward, as always, to hearing from you. jerry brown

Robert, My name is Wayne Harrison a long lost cousin in southwest Alabama. Hester was my 3rd great-grandmother. Jerry Brown gave me a copy of a letter you sent him about Hester and her kin. It was very helpful being that I knew nothing about her. One correction about her children was you had Lora Smith listed as her daughter, Lora was her granddaughter by John Smith. Lora was my great grandmother, she passed away in May, 1994. If you would like I can send you info on John Smith's line. It is not complete but I'm still working on it. If I can help you let me know.

Robert, Lora married Connie Lee Brown first and had all but one child with him. Connie died in 1941 at the age of 43 of a heart attack. She later married George Brunt and Hugh Wilkerson. She had one daughter by George Brunt. She is buried beside Connie at New Prospect Cemetery.

H.H. Smith is buried at the Bell/Brewer Cemetery and has a CSA marker. Jerry was down yesterday and we got together with a few other relatives at Oak Grove and chatted about the old folks. Glen Smith was there and he said that Hester was buried beside Henry. Jerry said that he wanted to put her a marker up.

I have a picture of Henry that my grandmother gave me, Jerry took it with him to Auburn to get a negative made. He could probably get you a copy if you like. Also if you want, I can take a picture of Henry's marker and send it to you, but it might have to wait until the rattlesnakes, redbugs, and ticks go to sleep. Last summer I tried to go to the cemetery but it was grown up with weeds so I waited until November to go in the fence.

I'll send you what I have on John Smith through the mail shortly. Talk to you later.

A thousand thanks. No doubt this is the correct couple. There was no Dobb County, Alabama, to my knowledge, but my great grandmother Woodham had a brother named Wright Woodham, which means he was named for his grandfather Pollard. The "Mary Ann Woodham" baffles me, but I'll pass that on to the Woodham Family Association. I will keep your request for a Ward connection on file and will look for a chance to return your favor.

University of South Alabama in 1985-86. She is originally from Mobile. We were married in Mobile on Nov. 11, 1989 while I was on leave from the U.S. Air Force. I am a veteran of Desert Shield/Storm. My tour of duty was from Dec. 3, 1987-Dec. 3, 1991. We

are expecting our first child which is due April 13, 1998.

Chris, my brother, has 2 girls Alyssa and Jenna. Although I don't remember their dates of birth they are approximately 5 and 3 respectively. Kathi has a little girl named Regan Elizabeth and is married to William Lawson of Columbia Alabama. Kathi and William are expecting a daughter in December. They are currently living in Nashville where William is a manager of a Lowes Store.

My wife and I work at Providence Hospital. I work as a Cardioradiographer in the Heart Catheterization Laboratory. My wife is an Echocardiographer in the same department.

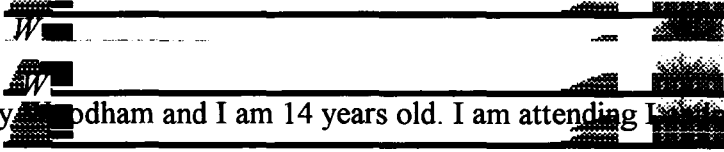

As for my mother's birthday it is March 5, 1945. Thank you for your information on our family. And if you need any more info just let me know,

Hi Robert:

When I saw your name it looked very familiar. I was recently down in Mississippi and went down to an almost unknown cemetery known as Robinson's. There I saw an old grave with a marker--I am almost sure it said Robert Earl Woodham. I didn't have time to write down the dates on the marker--somewhere in the 1800s. It is located in Escatawpa, Jackson County, Mississippi. I would like to know more about your side of the family. I saw your name by one of the counties.

I am researching Grierson, Robinson, and allied families. Some of the Woodham's that I have are: Dorothy Alice Woodham, Robert Earl Woodham, Jr.; married Jan McClanahan. Bessie Marie Woodham, John Frank Woodham, don't know much about them. They connect through the Robinson line. One of my great-grandfather's sister, an Alice Caroline Grierson married a John Robinson and Bessie Theresa Robinson apparently married Robert Earl Woodham, Sr. in Escatawpa, Mississippi. >From my records, Bessie Woodham is buried in Holy Cross Cemetery, in Houston, Texas. I live in Maryland.

I hope to hear from you.

Hi Robert:

"To date, I have not learned who the parents of BESSIE were and I don't have their marriage date."

I believe that I can help with the parents of BESSIE TERESA ROBINSON. She was the seventh (7th) child of Alice Caroline (nee Grierson) Robinson.

Bessie was born September 21, 1895, Three Rivers, Jackson County, Mississippi; married Robert Earl Woodham, Sr., Escatawpa, Jackson County, Mississippi.

Alice Caroline Grierson was born September 11th, 1862, (as per death certificate) Augusta, Perry County, Mississippi; died December 30, 1938, Jefferson County, Beaumont, Texas. Buried Robinson's Cemetery located in Escatawpa, Mississippi; handled by Roberts' Undertaking in Beaumont, Texas--they sent her body back by train.

Alice married John Robinson, Jr., b. November 17, 1860, Three Rivers, Jackson County, Miss; died June 02, 1929, Escatawpa, Miss; buried in Robinson's Cem. Marriage date: February 01, 1880, Jackson County, Mississippi.

Father: John Robinson, Sr.

Mother: Harriett Lewis.

Hi Robert,

I didn't know Bertha Lee Woodham had died until I read your email. Do you know when she died and where she is buried? I know Albert Young Woodham, Sr. is dead, and I have the date, but I don't know where he is buried.

Here is the information on my children:

Michael Young Woodham, born Jan 16 1965 in Ocala, FL

1st married Melinda Ann Webster on Mar 19 1983 in Hendersonville, TN

They had 1 child: Andrea Lee Woodham born Feb 7, 1985 in Jacksonville, FL

Michael and Melinda divorced in 1987

Michael married DiAnna Lynn Hankins on May 14 1988 in Sumner County, TN

Michael and DiAnna had 2 children:

Erica Nicole Woodham born Nov 2 1988 in Hendersonville, TN

Victoria "Tori" Katelyn Woodham born Aug 21 1991 in Nashville, TN

Michael was killed in a wreck Sep 9 1994. He was on a motorcycle in Gallatin, TN ;and a lady, driving a car ran into him. She was blinded by the sun. He

was killed instantly. He is buried at Woodlawn East Cemetary in

Hendersonville, TN. Needless to say, this has devastated our family.

Michael's daughter, Andrea Lee Woodham was adopted by her step father, R. D.

"Rick" Petrick after Michael's death, and they changed her name to Andrea

Leah Petrick. She lives in Jacksonville, FL

Amanda "Mandy" Lee Woodham born Nov 1 1966 in Fort Walton Beach, FL

She married Stacey J. Thompson on Sep 28 1985 in Gallatin, TN

They have 1 daughter named Michaela Faye Thompson born Feb 1 1995 in

Gallatin, TN.

Jason Edward Woodham born Jan 21 1970 in Orlando, FL.

He is not married, but engaged to Belinda Clark. They plan to get married May 23 1998.

Do you know the names of Albert Young Woodham, Sr.'s brothers and sisters? If so could you please send me their names.

I am so grateful for every little bit of information I can get on the Woodham family as I want to have this family history for my children and grandchildren. My children has no contact with their Dad in any way. His lifestyle does not include his children or his grandchildren. In fact I don't even know where he is. The last I heard he was living in Jacksonville Beach, FL. I wrote him and asked him to help me with names and etc. of family members for the Woodham family history, but the letter was returned. So he has moved somewhere else.

Thanks so much for your help with our Woodham Family. And do keep in touch.

God Bless.

Robert,

I saw your listing on the Roots Surname List. To be honest, it was the first time I have been to that site, and I am still learning what it contains.

Can you tell me if by chance your research includes an Atha Woodham? I have traced this ancestor to 1709. Some facts might quickly determine if we have any common ancestry:

Atha Woodham (1709-1782)

Atha, Jr. (came to America)

Frederick (lived in Darlington, SC and moved to AL)

Edward

Other ancestors: John Wesley Woodham, William Arias Woodham

I know this is a shot in the dark, but I would appreciate any information you might have. Many thanks!

I was so happy to see your web site on the Woodham family. Although I believe that our common ancestry is some generations back, I would very much like to know how I may get a copy of the Woodham history you mention on your web site.

I am a descendent of John Wesley Woodham (1835-1910), son of Frederick Woodham. Until recently, I had thought I knew the lineage several generations prior to that, but I now have some new information which conflicts with some previously found.

I would very much appreciate any assistance you may be able to provide. Many thanks!

Robert Earl,

Thanks so much for the information. From my recent studies, I had become to believe that the Atha ancestry which I had been given was a myth. What a shame -- there was some pretty juicy stuff there! I suppose that I just learned one of the hard lessons of genealogical research -- that until information has been confirmed through independent sources, it must be considered as potentially flawed.

Also, I am sorry to have e-mailed you twice. In viewing so many sites yesterday, I failed to recognize the duplicate.

When I have time, I will happily give you all the information I have on Emma Buena Vista Woodham and her descendents. Thanks again for your response, and please accept my commendations on all your hard work.

Hello Robert,

I saw your entry for the WOODHAM surname in the Glos Surnames list.

I have as a direct ancestor a Rebecca WOODHAM who married William BENCE at Marshfield Glos, on 24 Oct 1761. If this ties in with what you have I would very much like to hear from you.

I grew up some 15/20 miles from Marshfield, at Bradenstoke, Wilts and came to Canada in 1974. The daughter of the above Sarah BENCE was the wife of my 3 x Gt Grandfather Thomas WRIGHT, who farmed at Beeks farm just outside Marshfield.

Looking forward to hearing from you....

Thank you very much for the reply. It must have been Molly and not Daisy. Shelly V. (she spells it Chellav). Did have two sisters Mable and Ruth. Both have passed away in the last 5 years. both lived on Fortner Road in Dothan, Alabama. Ruth married Carl Bass , adopted one girl named Paulette. Carl retired from Headstrom Toy Makers. Paulette married a Dentist named Emitt, unsure about last name. Mable married Wade Battle. Had one daughter, unsure if she was adopted or not, named Juita, who married Bill Bond and has three boys all married with children. All still live in the Dale/Houston County areas. We used to call Molly "Big Granny" because she was so much taller than Chellav (my Granny). I remember Molly had real long beautiful grey hair but always wore it in a bun. She fell and broke her hip and had to be placed in a nursing home. I can remember attending her funeral when I was a young teen. I am 41 now. Chellav and family moved to Ft. Meade, Florida (in about 1949) which is where I grew up. I can remember Molly staying with us in Ft. Meade. Chellav's father disappeared when she was about 14. We are trying to find record of him. That is what led us to you. My step-mother is also related to the Woodhams and Skinners I may be able to get more info from her. Right now we are trying to find out what happened to William Jackson MacDonald. My name is William Jack Jerkins Jr. any help you can give us would be priceless. Granny is 95, born on March 23, 1902 in Florala, Alabama.

God Bless,

Jack

Chellav married Alto Lee Jerkins in or around Dothan. The Jerkins family (Alto's dad) had a large plantation somewhere northwest of Dothan. They had seven children. One died at a young age, about 3, unsure about her name. One named Mablene which was killed in car crash in Ft. Meade at age 17. The oldest is Sybil, then Rita, Bill (my father), Mablene would have been next, Alto jr. (whom can reached at aljer1@aol.com) and Nancy. The list gets much longer from there when you start adding all the grandkids and great grandkids. I hope this can help.

I want to give my space on my personal server to you, We can move the pages from your server to mine. I'll give you 25MB of space, that should be plenty of space for pictures or whatever. I'll set up an account and issue you a password. You will still have to pay for your server, because you will need some place locally to connect to the Internet and receive e-mail. You are probably wondering why I would want to do this? Experience mostly, I want to get a job being a webmaster in the future. So I thought that if I could help you, this would benefit you by giving you more time to work on the content, me for the practice and the Woodham Family for great site

There is so much you need to do on the site. First thing is to register your site with the search engines. Like Yahoo, Hot Box, Alta Vista... You fill out a form and tell them where you site is located and they send a robot to search your pages. The robot reads the <META Tags> in the homepage. Then when someone goes to search for the name Woodham you homepage pops out as one of the choices. I tried to look for your page I put in (Woodham? Woodham Family?) nothing! It didn't even pop out. I can Help!

Guestbook? Yes you need a guestbook. I want to know who knows about the woodham Homepage. It's a great way for other Woodhams around the Globe to see and meet there relatives. I'm sure that your viewers or audience would also like to know who is on the Net. It's like a public database. I can make the guestbook that you could put in your e-mail address homepage address(URL) any comments, birthdays anything. Let's say that I forgot what day your birthday was, well go the guestbook and look it up, that is just an example, you could do anything. I can Help!

Photo Album? No problem lots of space on my server. Woodhams for all over the world could send us their pictures in an e-mail message, and we post them in the album. I can Help!

Do you know what a form is? I could make a form that people could put their personal and family history in blank spaces> Name:

you want to collect and I'll make it.

After they fill out the form, it would be e-mailed to you directly. I think this would help you out allot. If you like I could make a an example and show it to you, just tell me. I can Help!

Navigate? I would like to make a menu that would lay on the side of the page so that your viewers could easily navigate your site. I can help!

I have a thousand ideas! I don't want to write or take over, I just want to help. You have the final word on everything.

My server is located in California, I'm renting. I also have a server here in Tokyo, but I use it for my Japanese Language based homepages. That's an encryption server used to take secure on-line payments by credit card. I can make as many e-mail account as I need.

As for all the pics and documents at your house, unless you want to send them to Japan, I can't help. A good scanner cost at least \$500~600 bucks. I will show you step by step how to put a picture in a homepage in the following message

Robert Earl,

Thanks again for the information you gave me last month about the Woodhams -- correcting the written information which had been erroneously passed around for years. When I last wrote you, I promised that I would send you a file on Emma Buena Vista Woodham's descendants. I am diligently working on that task, collecting information on some cousins whom I have never met and did not have information. When I hear back from all of my information requests (soon, I hope), I will send you a file.

In the meantime, I wonder if you could answer another question for me. I am putting together a book of family history for my mother for Christmas. (I have researched each of her family lines, including many surnames which she has never known about to this point.) I wanted to have the book be as complete as possible, even though I plan to continue to update the information for her on a regular basis as I learn more. Where can I get the best, and most reliable information, about Woodham ancestors -- from Emma back to earliest known ancestors? Did you say that you have some books for sale? And do you or anyone have any "juicy stories," etc. that I might be able to incorporate? (facts or stories that would be interesting)

I don't want to take too much of your time, but I do respect you as the man to ask. Thank you for any direction you might give me.

Take care, and I hope you and your family have the best of Christmas seasons!

Mike Roberson

(By the way, at the risk of embarrassing myself and telling our family's historian something he has known for years, I stumbled across a listing for a "Tho Woodam" on a 1704/5 Charles City County, VA rent roll. Just wanted to mention it just in case you hadn't seen it.)

King's and Allied lines of Coffee Co., AL

Ephraim King is known to have lived in Onslow Co., NC in 1808-1814. He was born about 1791 in NC and served in the War of 1812 in Onslow Co., NC. He moved to Lowndes Co., AL in 1831 and then to Dale/Coffee CO., AL in 1836. Much work has been published on King's in Onslow Co., NC, however Ephaim has yet to be tied to one of these lines. Would appreciate hearing from NC King researchers and Ephraim King and Allied line descendants
